Dear Mr. Jutrash:

I am sending to you under separate cover ten copies of a recent issue of QST.

Our purpose in doing this is to have you help us increase the number of League members amongst your club members. Your co-operation in distributing these copies to the best advantage will be greatly appreciated.

Of course we need the support of everyone interested in amateur radio, particularly the members of our affiliated clubs, and one's support is surely manifested by active League membership.

If ten or more members of an affiliated club will send us their applications for League membership at the same time, we grant a special rate of $2.00 per membership - a savings of 50¢ on each one. This applies to either new entries or renewals. A supply of application blanks are herewith enclosed.

Won't you personally solicit your club membership? Thank you.

Sincerely yours,

David Houghton

P.S: Possibly you can help us dispose of some "Handbooks." Individual orders, $1.00 per copy. If ordered in quantities of ten or more at one time will be glad to grant your affiliated club special rate of 67¢ per copy.
